Aim: Integrating a team

From age of 5 years

Number of players/ participants: 1 person and more

About 5 minutes depending on number of participants

Equipment:

- A marker pen, a sheet of paper and a blindfold for each person.

Step by step description:

- The participants sit at tables or on the floor. Each of them has a marker pen, a sheet of paper and a blindfold put on eyes.
- The participants have to draw a piggy blindfolded while listening to instructions. A leading person tells the participants which part of a pig they draw: a tail, a snout, a head, ears, body, eyes, legs.

The body parts are given by the leading person in an order that makes drawing more difficult.

- When pictures are ready, the participants take the blindfolds off and admire their pieces.
